- 9:00 – 10:00 a.m. **The Hybrid Manager in Today’s Virtual World**  
For a company to truly scale, it needs to change its deeply ingrained habits. *The People:* From a single owner/manager, all the way to a full leadership team. *The Process:* Small companies can get away with few (if any) efficient, effective processes. But they can’t scale without them. *The Systems:* Make the move from manual and/or basic systems to enterprise applications that enable your team’s best work in today’s hybrid environment. Our speaker is a renowned corporate strategist who will share his sage observations about today’s management teams and how companies are successfully connecting the in-person and virtual workforces of today ... especially as a recession looms. Are your management teams prepared?  
**Carl J. Cox, 40 Strategy, Inc.**
